Key Considerations:

- **Customization Charges** - Above quote is arrived considering 2 person months of customization effort. Any additional customization (technical/feature modification desired by the BRB Hospitals and agreed by Neuvoatech shall be done on chargeable basis @ BDT 4000/ Day (or @ equivalent USD)
- **Onsite Training/Implementation Charges:** 20 days of training / implementation cost has been included as part of the above cost. Training/ Implementation beyond this would be charged @ BDT 8000/ Day (or @ equivalent USD)
- Hospital will separately provide boarding, lodging and travel cost (including flight & local conveyance) for implementation consultants. Approximately, 8 - 10 air travel to and fro from India to the site location is envisaged for HMS implementation team.
- **Payment Terms:**
 - 20% on issuance of work order
 - 30% on installation
 - 35% on Go Live
 - 15% on completion of 3 months after go live
 - AMC to be paid on quarterly advance basis.
